

Datasheet

product type / name	ET1 evacuation sheet
artikel number	SE-0304
GTIN	4260445020544
dimensions	ca. 2000 x 900 mm (length x width)
suitable mattress height	up to a maximum of 170 mm
weight	ca. 1,24 Kg netto (without package) ca. 1,5 Kg brutto (with package)
standards	Tested according to DIN EN 1865-1
CE-marking	yes
Material	PVC (PES)
Customs tariff number	63079098990
dimensions	up to a maximum of 300 KG
washable until	max. 40°C
Intendes use	The evacuation sheet is a rescue device designed to remain permanently under the bed mattress and is only activated in the event of an "evacuation situation". The sheet is then used as a unit including the mattress.
desription	Evacuation sheet ET I, consisting of 4 corner elastics for attachment to the bed mattress. 2 stowed patient securing straps to fix the patient in case of evacuation. 6 carrying or pulling handles. Very smooth back for easy sliding over stairs and floors.
